9. Shrinky Dinks Halloween Fun

Nearly every child in the world has had his or her share of Shrinky Dinks. After all, these are one of the most popular household activity kits out there, consisting of rather large and flexible sheets that you can shrink to smaller, hardened plates upon slipping them in a heated oven. They were quite popular in the 1980's, and even up to this day they still sell like pancakes. With Halloween coming up in the next couple of months, you can actually engage in some Shrinky Dink-ing with the brand new Shrinky dinks Halloween Fun Kit!

The Shrinky Dinks Halloween Fun kit is a Halloween-themed children's activity kit which contains colored pencils as well as a sharpener, and a hole punch so you can tie the ornaments around its hallow tree base with included bands, along with the metal pieces to attach the ornaments to. The tree base is surprisingly detailed and will definitely make for a good décor come October 31st, even allowing you to reuse it the following year. There are some issues with the metal pieces and the ornaments not being pre-punched, so you'll have to be careful if you don't want to drill new openings after baking them.

This fun activity kit costs only \$12,08, an amazing price considering the brand that goes along with it. This makes for an idea activity kit for both parents and children who wish to prepare for Halloween in group participation and are totally safe.

The Shrinky Dinks Halloween Fun activity kit will surely rouse your children's excitement for All Hollow's Eve, setting the right atmosphere in the house mixed with a sense of innocent fun!

10. Ground Breaker Light Skeleton

If you grew up in the 80's, then you'll fondly recall memories of watching Michael Jackson's hit music video "Thriller", seeing all those dancers in full zombie makeup rise up from beyond their graves, inevitably dancing with the former King of Pop. However, it's the very sight of those zombies crawling from the ground, along with the eerie notes that hit, that still bear much significance in people's minds. You may not exactly be dancing along to "Thriller" this October 31st, but you may want to see a skeleton attempt to break out of the soil in your own living room. If so, then you should look into buying yourself a Ground Breaker Light Skeleton.

The Ground Breaker Light Skeleton is a light-up product from Halloween novelty item manufacturer Haunt Your House which serves a home décor. The package contains a skeleton which appears to be rising from beyond his grave. To use this item, stick the batteries, simply place it on the ground and watch the lights emit from his eyes and his faux soil base, thus creating quite a spooky vibe which will surely grab the attention of your family, friends and guests during your Halloween house party!

The Ground Breaker Light Skeleton is pretty affordable for something of this nature. This makes for a perfect purchase among the many Halloween aficionados looking to exude a certain eerie atmosphere to their garden or even in their living rooms.

Watch the ghouls rise from their graves and draw you in to their mystifyingly bright gaze! The Ground Breaker Light Skeleton will surely be a great conversation piece among your guests, as they entertain themselves with the goofy yet spooky nature of the décor.

11. Halloween 4 - The Return of Michael Myers

One of the most popular Halloween traditions is to have a Halloween movie marathon. Spending Halloween night watching all the films of the Halloween franchise starting from Halloween to H2O is going to be a fun experience with your friends and loved ones. I for one, love the Halloween film series and I have watched each of the films countless times. I practically memorized the dialog of the films because I've been watching this over and over again. But I was still very excited when the Divimax Editions came out. I've already collected all the Divimax editions of the first three Halloween films and I recently purchased Halloween 4 - The Return of Michael Myers (Divimax Edition) (1988).

I tell you , watching the movie in Divimax is going to give fans of the film franchise a whole new experience in watching the film. The film is displayed in full anamorphic format with a 1.85:1 aspect ratio. This means you will be watching it with a crisp and clear resolution. The Dolby Digital 5.1 audio 5.1 completes the movie theater experience for your home. Watching this movie is definitely a great way to spend your Halloween.

You will not only get the full movie but cool bonuses like, audio commentaries, trailers as well as the making of featurette. This is definitely perfect for all fans of the film. With this DVD, you can enjoy the film any time you feel like watching this timeless classic. Watching this movie will definitely be a great Halloween experience.

12. Bloody Bath Mat

If you're looking for a definitive piece of household items that will surely cause your guests to shriek louder than Janet Leigh in Psycho, then perhaps you should look into this product. The Bloody Bath Mat definitely gives that horror-movie feel with such an unsightly and horrific image – shower curtains stained with bloody hand prints and a bath mat with imprints of bloody footprints.

The Bloody Bath Mat set consists of two items, a blood stained shower curtain and a no-less stained bathroom mat as well. These serve rather basic and practical uses, although you would like to purchase them for the fun factor. Besides, why settle for an ordinarily bland shower curtain and a plain looking bath rug when you can actually add some jolt of horror and excitement in the restroom! Besides, it sure would be funny to actually see your parents visit you at home and then shake their heads with amusement and shock as they see what you've done with the bathroom furniture. The mat maybe somewhat small for some people, but it's the novelty factor of it which makes it a must buy just in time for the Halloween season. *cue horror music!

This is intended for people of all ages, most particularly individuals who like to engage in the Halloween spirit and fill the bathroom with that eerie vibe!

The Bloody Bath Mat will truly give your bathroom that foreboding sense of creep and an unsettling air of horror! This is an item that's sure to be hit with your friends, family and guests come October 31st this year!

21. Fun Halloween - Ribbon Baby Girl & Toddler Hair Clip Gift Pack

With Halloween just around the corner, it is time for you to check out gift products for your little girl, or for your love ones. One product you can consider is the Fun Halloween - Ribbon Baby Girl & Toddler Hair Clip Gift Pack, which is now available through the internet.

This product is great for Halloween due to the fact that it has been designed to give that interesting effect, especially with its color combination of red and black. Your toddler or baby girl would look really cute with this ribbon or hair clip. Its size and design are perfect to make little girls stand out in a Halloween party, even when adults are also present.

One of the best things about this ribbon is the fact that its clip is gentle enough for a toddler or a baby girl to make use of. In other words, you won't have to worry about your child getting hurt because of the clip. Aside from that, the ribbon is securely attached to the clip, which means that it is made in good quality and that it can last beyond Halloween; and, you can have your baby girl make use of it in other parties as well.

Just make sure that your child does not play with it without you supervising, since it may have small parts or sharp ends that can hurt her.

This can be purchased at around \$7-\$8 USD, and it can be a great gift idea, especially since it is available in a beautiful clear gift box, which is wrapped with black ribbon. This product is indeed best for Halloween parties, especially if you want your toddler to become one who attracts the attention of most of the people around.
